Sometimes when you do a girl-on-girl shoot and the girls don't know each other things can get a bit stiff and awkward. But that was never going to be the case with best buddies Emma and Jaye, in fact they went a bit too far in terms of having fun, and who were we to stop them when we got to watch first hand! "We fuck each other all the time, so why not get paid for it too!" Jaye told us.

PHOTO SHOOT!

I have often posed for photographs for my husband, who is a keen amateur photographer. Sometimes our sessions get out of hand and he ends up shagging me senseless.

I have also posed for quite a few other amateur photographers, though these have never developed beyond the camera. This was set to change.

A friend of my husband, Garry, needed a model at short notice. My husband asked me if I would do it and I said yes.

I travelled down to London for the shoot, meeting Garry at his studio. He was tall, muscular and dark-haired – a real hunk!

He showed me around his studio and busied himself setting things up for the shoot. We seemed to get on really well.

I slipped into the dress I was to wear (no bra or panties!) and got in front of the camera.

Garry started slowly, getting me used to his style and making sure I felt at ease and relaxed.

I was getting horny being directed by this hunk. He eventually asked me to push the top of my dress down to my bikini line (which I hardly have!).

He constantly complimented me on my body which made me still hornier and wetter.

I had never been attracted this way in front of the camera before.

We had a short break for a change of film, during which Garry uncorked a bottle of chilled wine. Another bottle down the line, we continued the shoot.

He asked me if we could do some magazine shots and I readily agreed, pussy soaking. I then ran through a familiar routine of poses which usually ended in my hubby dicking me.

It seemed to have a similar effect on Garry, judging by the bulge in his trousers.

After the next roll, Garry got from

behind the camera and joined me on set. Telling me what a fantastic body I had, he began to kiss me. I let him continue, the situation and the wine making me long for his cock.

I was virtually naked, and Garry spread my legs on the couch and began invading my pussy with his tongue.

Suddenly the doorbell went. Garry cursed, apologised, wiped the juice from his face and went to answer the door.

I was dejected at the thought of passing up a good fuck. I needn't have been. Into the room came not one Garry, but two. He introduced his identical twin Martin. He told Martin the formal shoot was over, but he and I were attending to another matter.

He asked if I minded Martin's presence.

"How could I refuse?" I replied, anticipating my first ever double fuck.

After a few brief words and kisses, the brothers moved into action. I was rolled onto my front, face down, arms and legs outstretched.

I was left for a few seconds while they undressed. Next, Martin was in front of me and raised me to my hands and knees.

I saw his prick which he about to feed me. It was a large purple headed beast, just the same length and girth as my husband's. I busied myself on the head, shaft and bollocks while Garry was behind me, parting my pussy lips. He trickled saliva onto my arsehole and cunt.

Then he started to lick and tongue my pussy, at the same time gently teasing my arsehole with his wet fingers.

My aching pussy needed a big hard swollen cock up it. Martin got behind me and forced his rampant cock into my dripping wet hole.

Garry then knelt in front and I took his cock in my mouth. I nibbled around the helmet, making him groan with pleasure.

While Martin was fucking me from behind he had been dropping his spit into my virgin arsehole and massaging it in with his thumb.

He then took his cock out of my pussy and teased the head into my aching arse.

The joint pleasure and pain was

TIFFANY

According to a recent report, obesity is now the second biggest killer after Sharknados, so we thought we'd try and inspire you all to keep in shape with these pictures of the delectable Tiffany James getting all sporty and that.
But remember, before you start anything too energetic, it's vitally important you have a good stretch. We'd recommend stretching those spectacular flaps around your old man – it does wonders for the heart, apparently!

You'd think a large realistic dong would be enough to keep a girl amused in the absence of any real cocks, but Ashley here brought no fewer than two sex toys along with her, whipping out a rather classy glass number to doubly guarantee she brought herself off. "I like to be well prepared!" she laughs. "Not to mention well fucked!"

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

Have you ever had a threesome?

I'd only been seeing Rob for a week when he suggested a threesome. He told me about a bisexual ex-girlfriend of his called Penny who'd be up for it. I'd had a couple of lesbian experiences before, but never full-on sex – just a snog and a grope. He told me she was 21 years old, friendly, fit and horny as fuck.

I'd always been bi-curious, so with a mixture of fear and excitement I agreed.

When Penny came round to our flat I was blown away – she was fucking gorgeous!

She was quite short but had long golden hair and large, pert tits. She was dead nice too, and we got on really well.

We had a meal and a couple of bottles of wine to get nice and relaxed and in the mood. Then Rob put a blue movie on and said he was going upstairs for a shower.

That left me and Penny alone on the sofa watching the lezzie porno.

I felt very tense but turned on – you know that feeling in your stomach when you are really nervous and about to do something dangerous or exciting. Before I knew it Penny was running her hands through my hair and we were kissing passionately.

I rubbed her firm thighs and let my hands wander over her amazing body. As we kissed she pulled my top up over my head and unclasped my bra. She let it fall to the floor and my tits swung free. She closed her lips over one of my bullet-like nipples and started sucking.

I was so turned on and receptive that my nipples were even more sensitive than usual. It felt great having another woman licking my nipples and waves of pleasure ran up and down my body, driving my pussy wild.

The sight that greeted Rob when he came down was enough to give a monk the horn. I was lying on the floor, legs akimbo, with Penny kneeling between my legs and licking my creaming cunt. My head was thrown back in pure delight as Penny licked my pussy to new orgasmic heights. I'd no idea oral sex could be so incredible – even better than taking cock.

Rob did the only sane thing he could – stuck his stiff cock right up Penny's tight little arsehole as she licked me out. She squealed with the sudden sensation of him forcing his fat cock slowly inside her arsehole. After cumming again, I decided I was ready to take my first taste of pussy.

I told Penny I wanted to suck her cunt, so Rob reluctantly pulled his cock out. Penny got on her back and hoisted her legs over Rob's shoulders. He then eased his cock back inside her arse and began to work it in and out. I then clambered on top of Penny, shoving my pussy in her face and my face in her pussy.

I set about her quim with gusto. I was surprised it tasted so sweet, and also surprised at how quickly I managed to bring her off. With Rob pumping her arse and me sucking her clit, she came really quickly and messily.

I loved watching her pussy cum, and I loved the sight of Rob's big cock fucking her up the arse a few inches from my face.

I darted my tongue out to lick his pole as he dunked it in and out of Penny.

Finally Rob pulled out and showered my face and Penny's pussy with big globs of man-batter. I licked his cum off her pussy lips and she licked it off my face.

It was one hell of a way to pop my lezzie cherry. I'm a cunt convert now – I can't get enough!

FESSIONS

Have you ever dated more than one person at once?

Yes, I'm seeing lots of people, but usually only for one night at a time. I don't have a boyfriend if that's what you mean. I'm single for the first time in ages, and I'm loving it.

I'm taking the opportunity to experience all different shapes and sizes of cock, and as many of them as possible. Recently I copped a load of a real whopper.

I was at the local swimming pool doing lengths with my friend Claire.

While we were resting against the side of the pool, Claire suddenly nudged me and pointed out a bloke getting in at the other end. "Fuck me blind, look at the size of that thing!" she said.

The bloke was wearing tight Speedos with a huge dick crammed inside them.

The shape of his long, thick knob stood out for all to see.

I kept an eye on him and as he was getting out I started to chat him up. I hung on to the side of the pool, giving him a good view of my cleavage. I found out his name was Nick and told him to be in the Queen's Head that night if he wanted his dick sucked. He was pretty cocksure, which I liked, and told me he'd see me there at 9 o'clock for a blow-job.

When I was getting changed I had to slip into the loos and bring myself off at the thought of having that cock down my throat later on. In fact I thought about that monster dick all day until later on when I saw Nick in the Queen's Head.

He was out with a load of mates when I spotted him from the bar. I went over to him and squeezed his bollocks from behind. He was a bit surprised, and so were his mates, but when he turned around he realised who it was and smiled.

"Don't you owe me and my cock a sucking?" he said, winking at his mates.

I just grabbed him by his dick and led him off towards the toilet. His mates were pissing themselves laughing, but I could feel his knob swelling in my hand. I took him into the ladies' loo. It was pretty busy but nobody batted an eyelid as I pushed him into a cubicle, followed him in and turned to lock the door.

When I turned back round he already had his trousers round his knees and he was stroking his cock. It was a true giant, and still growing before my eyes. I threw myself to my knees in front of him, worshipping his manhood. I opened my mouth wide and lowered it over his helmet and down his shaft.

I took as much down my throat as I could and then started to bob my head up and down over his cock. He held the back of my head and sighed, savouring the feeling of his dick sliding deeply in and out of my mouth. Finally his cock stopped expanding. When it was fully erect it was almost as thick as my wrist.

I grabbed his shaft in one hand and started to jack him off. As I pulled him off I licked his bell-end, darting my tongue out to tease his hog's eye and shiny helmet.

Then I nibbled all the way down his shaft and started on his balls. I took one of his meaty bollocks fully in my mouth and feasted on it, still wanking him off with my hand.

Then I wriggled round so I was lying on the floor propped up against the toilet. I had my head thrown right back and my mouth wide open. This allowed him to stand over me and feed his knob into my mouth and down my throat. I love giving deep-throat, but I wasn't sure if I could swallow a cock this big.

Slowly he eased his dick into my mouth, pushing in little by little until his balls were resting on my chin. I couldn't believe I'd managed to take his entire cock down my throat, and nor could he judging by the grunts and moans he was letting out. He started to slide his cock in and out. I just lay back and kept my mouth wide open, concentrating on my technique and letting him just fuck my mouth. He was thrusting quite frantically now, his heavy balls slapping against my chin and bouncing around like basketballs. I just held onto his thighs and waited for the spunk explosion I knew was coming.

Sure enough, he told me he was going to cum. His nutbag tightened and his cock spasmed as he fired his first shot right down my throat. He fi red another big globule of jism into my mouth before pulling his cock out and wanking over my face. I juggled his ball while he wanked his shaft, sending load after load of warm sperm over my face.

I took a load in my mouth and the rest over my face, chin and neck. When he'd finished, I took his cock in my mouth once again, coaxing the remaining drops of spunk out of his bollocks.

Then I pulled his trousers up, zipped his cock in and showed him the door. I cleaned myself up at the sink, put a bit of make-up on and went back out to join my friends. My only regret was that I never got to feel that big cock in my cunt – it was even bigger than my biggest dildo, so it would have been a new sensation for me!

Look who's hard hat it! Kelli's builder boyfriend and his mates reckon she's a site for sore eyes when she brings him his lunch on a Friday. And we think it's not just sore eyes they have after seeing her in her string vest, hi-vis jacket and not much else. "Some girls are intimidated by hunky builders cat calling and wolf whistling but I really get off on it," confesses the big-boobed Harlow girl who needs planning permission to get her knockers out. "It's not just the builders who wank themselves silly after one of my visits. I do too!"

SAMSUNG

"I'm not one for spending much time in the kitchen, I'm more of a takeaway and Netflix and Chill kind of girl. But point a camera at me and give me a vibrator and I'll spend a whole day in there. A plastic toy is fine, but I'd prefer having my legs spread wide over the kitchen worktop and having a fat cock inside me, you guys aren't that kind of magazine though. Here's a thought, once your photographer has gone, there's nothing stopping us is there? I'd hate to be left all alone, butt naked and horny with nobody around to satisfy my needs!"

NAOMI

You might not be surprised to bump into the likes of the shy and reserved Naomi on the school run, thinking nothing of it, but once she's dropped the kids off all bets are off! "Once the kiddies have entered the school dates I'm straight back home with the webcam on, helping guys wank themselves off while I talk dirty and finger and fuck myself in front of them. I'll always lose count of the number of orgasms I've given myself by lunchtime. Then I clean myself up, put on the boring Mum clothes and get the kids. If only the other Mum's knew, I'm pretty sure a few of the Dads do though!

Dani and Perri make an arresting sight playing cops and robbers. Perri roleplays the policeman trying to thrash out a confession from incorrigible Dani. "She admitted to several other offences," recited Perri, "including turning down a threesome, spitting not swallowing and saying she had a headache!"

indescribable. I raised up slightly, allowing Garry to slide underneath me. He fed his cock into my cunt while martin's cock drove further into my arsehole.

They then both set a gentle rhythm and fucked me through another pair of orgasms. I knew they wouldn't be able to keep it up for long without spunking.

I was right. In unison they withdrew their juice-smeared cocks and raised me onto my knees, one either side of me.

They both wanked and spunked all over my face, in my mouth and over my tits. I swallowed as much as I could, loving it.

It's a shame we didn't have my husband there to take a few photos and join in!

Maybe next time.

OFFICE SEX PARTY!

Karen and Sue are two of Razzle's biggest fans. We work together in a large office so sadly we can't show you their faces – sorry!

Sue is 21 and I've been seeing her for 3 years now. Just over a year ago Karen came to work with us as the boss's new secretary.

We soon found out that she was a single 31-year-old and a real tease. She told me a while ago that she'd love to get to grips with another woman.

Naturally that turned me on like fuck.

Anyway, one night when we were having a good session Sue started telling me what she'd like to do to Karen.

The horny bitch had me cumming in seconds and from then on whenever we bonked we'd always discuss Karen and we'd both get a good cum out of it.

Well a couple of months later came the office Christmas party – a good excuse for a piss up and hopefully a bunk-up, as everybody knows.

Sue had drunk quite a bit and was teasing me like mad, so after a while we sloped off to have a bit of fun.

We tried the storeroom first but some randy pair had beaten us to it so we ended up in the boss's office. We shut the door the fun began.

Sue went down on me straight away and I was soon as hard as rock. I stood Sue up and then lifted up her sexy black skirt.

I started to kiss her already dampening pants. Pulling them to one side, I slid my tongue over her wet clitty. She grabbed my head and moaned.

She dragged me up and I entered her as she leaned against the filing cabinet. I only had her in that position for a few minutes as it seemed to sap my strength.

I pulled her down to the floor and screwed her there. We were both so carried away that we never heard the door open.

We kept going at it hard until Sue suddenly screamed for me to stop. I turned around and saw Karen standing there with a huge grin on her face.

She told us it was the first decent bit of action she'd seen in ages. Sue asked if it was turning her on to watch us, and she said it was.

I was stunned by what Sue said to her next. "Why don't you show us how horny you feel?" she said.

With that Karen lifted up her skirt to reveal stocking-clad legs, a pair of sexy black knickers and a lovely hairy pussy hiding behind them.

She started to rub herself and asked if we liked her little show. Sue said we'd like it even more if she played with her pussy properly.

So Karen pulled her knickers to one side and started to run her fingers through her hairy mound. I got up and went over to her.

I put my hand down to her pussy and started to kiss her. She told me to lock the door so no one would walk in on us.

As I did that Sue went over to her. Karen took Sue's arm and placed it on her pussy.

Sue began kissing her and rubbed her clit. Sue sat Karen on the desk and knelt between her legs, probing at her wet pussy with her tongue. You can imagine how turned on I was by now!

My cock was standing to attention and I had to get in on the act. I pulled Karen back on the desk so she was lying down.

I lowered my truncheon into her mouth. On seeing this Sue licked more vigorously and Karen came again. I took my cock out of Karen's mouth and positioned myself behind Sue.

I plunged my cock deep inside her doggy-style. I'd never felt her pussy so wet and I oohed and aahed as I squelched my dick into the fleshy sides of her pussy. It was only seconds before she was cumming and I had to use all my concentration not to blow my load in her hole.

The room buzzed with sexual excitement and after a few minutes of hard fucking, sweat streaming down my forehead and a horny ache slowly rising in my belly and into my dick, I came hard into Sue's juicy pussy. Then I pulled my cock out and offered it to Karen. She licked and sucked Sue's juices off it greedily.

We then returned to the party like nothing had happened.

Since that day Karen has been a regular visitor to our bed and there isn't a fantasy that hasn't been fulfilled. In fact, we like nothing better than flicking through Escort and saying what we'd like to do to all those sexy slutty women inside!

An inviting sight of naughty Nikita. “Do you like what you see? My husband does: so much that he fantasises about me exposing my bum to his friends. I spread my cheeks for them and they comment on my shaven pussy and bum over a few beers. Then they start to touch and lick me, and in the end I always let them take it in turns fucking me. Sometimes two or three at a time!”

TV REPORTER

- PRIVATE

Starring: Sienna Day, Loren Minardi, Blue Angel, Victoria Summers, Carmel Andersson

Hmm, to be honest that's not the most arousing title for a bongo flick I've ever come across – are Private going to launch a series of titles that are just job descriptions, I wonder? Shoe Shop Assistant? Quantity Surveyor? Lab Technician? Anyway, I'm going to give this one the benefit of the doubt because it features some top British sploshers, with Sienna Day as the eponymous reporter (umm, she's really a presenter) who, in the hunt for a promotion gets particularly chummy with her boss. A nice nosh leads to some cowgirl and then a reverse cowgirl anal pounding for the ambitious bint before she's sent on her way with a faceful of harry. Not content with his morning's work, boss Frankie then turns up across town, where he ends up double-tagging raven-haired Lauren. The wanton hussy gets all her holes plundered (often at the same time) before they're done with her in what has to be the film's strongest scene. Still, Blue, Victoria and Carmel keep their ends up well enough too, and in the ultimate happy finish, Sienna gets the job!
